

SAFEGUARDING: KCSIE REQUIREMENTS

KCSIE applies to all AI use
in schools

“Write a report for
Jamie Smith in
Year 6 who has
ADHD”

Key requirements:

- ✓ Age restrictions (most tools: 13+, some 18+)
- ✓ Filtering and monitoring systems in place
- ✓ Risk assessments completed before use
- ✓ Supervision protocols for any pupil use

Specific concerns:

- Inappropriate content generation

✓ Specific concerns:

- Inappropriate content generation
- Student sharing personal information with AI
- Unauthorized student use (e.g., creating fake emails)
- AI-generated content that could harm students

“Safety should be the top priority when deciding whether to use generative AI” – DfE
